State/Province Medical Licenses

Upload as a PDF file

Upload a photocopy of your **current**, valid, full and unrestricted license to practice medicine in the State/Province where you are currently practicing, as well as any other states in which you are licensed to practice. The state medical license must be valid at the time of the 2018 examination and indicate an expiration date. If the medical license will expire prior to the examination, it is your responsibility to forward the renewal as soon as it is received.

Current Hospital Staff Appointments

List the complete names and addresses of each hospital with appointment/reappointment dates where you currently hold hospital staff privileges in plastic surgery and/or hand surgery. Privileges held only at outpatient surgical facilities are not acceptable.

NOTE: Hospital appointment letters are not required with the application, but will be required during the Reply Form process in March.

Outpatient Surgical Facility Accreditation

List all outpatient surgical facilities at which you operate. Upload current accreditation certificates or documentation for all non-hospital outpatient surgical facilities (e.g. AAAASF, AAAHC, State or Medicare). A valid certificate or letter **from the accrediting organization** must be uploaded for each non-hospital based facility listed. Documentation is not required for hospital-based surgery centers accredited by the Joint Commission but the facility and accrediting organization must be identified on the application.

Letters verifying surgical privileges at outpatient facilities are not acceptable in lieu of accreditation certificates.

Enter the name, title and email address of three peers. A secure link will be emailed to your peers to complete an evaluation for you that will be submitted electronically to the Board Office. **Peer Evaluations are due by the application deadline.** You can check the Hand tab in your physician profile on the Board's website to verify that the Peer Evaluations have been completed or to send reminders. The status of the online forms will update automatically to complete as they are received. **At least one evaluation must be completed by the Chief of Surgery or Chief of Staff** at your primary hospital where you perform the majority of your hand cases. The other two evaluations must be from two hand surgeons who are familiar with your work.

Peer Review Forms submitted with the 2018 MOC-PS® Examination Application from the Chief of Staff or Chief of Surgery or other Hand Surgeons can satisfy all or part of the Hand Application Peer Review requirement.
