Application for MOC Practice Assessment (Part IV) Credit for Quality Improvement Publication

The ABPS will accept a recently published article as evidence of a Quality Improvement activity for credit towards completing the Practice Improvement (Part IV) component of the MOC program. To be accepted the:

1. Diplomate must be a listed author of the publication
2. Article must have been published in a Peer Reviewed Journal
3. Article must have been published within 5 years of the request for credit
4. Article must describe a Quality Improvement process that resulted in a demonstrable improvement in patient care
5. Diplomate requesting credit must have contributed in a meaningful way to the overall project, including:
 - Contributing to the design of the original project
 - Meaningful participation in the actual patient care
 - Participation in the analysis of the data
 - Reflection on best practices derived from the project

Note: Articles submitted but not yet accepted by the publisher will not qualify for credit.
